

Electric Actuators for Sofa

Compo cooperate with Ti Motion of Taiwan to provide highly reliable electric actuator for sofa chairs. We have our own catalogue in which a range of actuator, transformer, back-up battery and hand switches to meet the various requirement of sofa designs.

Actuators

		
ACT101 -3000N2W320.160 Force (N) : 3,000 Remarks : Fast single gear actuator ideally suited for recliner chair.	ACT201 -2000Wxxx.xxx Force (N) : 2,000 Remarks : Slim and narrow width actuator for application where space is critical.	Close Position 320mm
ACT105 -2000N2W265.100 Force (N) : 2,000 Remarks : Fast single gear actuator ideally suited for recliner chair.		
ACT102 -6000N2W320.160 Force (N) : 6,000 Remarks : Double gear actuator for heavy loading application.		Open Position 160mm
ACT103 -6000N3W320.160 Force (N) : 6,000 Remarks : Double gear actuator for heavy loading application.		
ACT104 -6000N2W380.100 Force (N) : 6,000 Remarks : Double gear actuator for heavy loading application.		
<p>*How to order :</p> <p>Part no : ACTxxx -3000N2W320.160</p> <p>3000N = Push / Pull force</p> <p>2W = Function 2 ways (Push and Pull)</p> <p>3W = Function 3 ways (Push, Pull and Neutral)</p> <p>320 = Distance at close position in mm</p> <p>160 = Stroke length in mm</p>		

Transformers

		
Standard Transformer STN101-xxxx Note : xxxx - indicate switch option. Remarks : Available option 3PPUK, 3PPAU, 2PPEU and 2PPUS.	Trailing Transformer TTN101-xxxx Remarks : Can be supplied with or without back-up battery.	Auto Switching Transformer TTN102-xxxx Remarks : Auto-switching transformer.

Control Box

		
CTB101 Standard control box	CTB102 Control box with option for safety sensor strip	CTB103 Y-junction control box

Switches

				
FBB101-2B Big Button Application: WHR201, LRR102	FBB102-2B Small Button Application: WHR201, LRR102	RBB101-2B Remote switch 2 button Application: WHR201, LRR102	RBB101-5B Remote switch 5 button (sofa touch button) Application: LRR201, LRR202	RBB101-7B Remote switch 7 button Application: LRR201, LRR202

Back-up battery

	
NCB101 Nickel Cadmium Battery	LAB101 Lead Acid Back-up Battery

Optional items

		
WBB101-2B Wireless switch 2 button	WBB101-2B Wireless switch 2 button	WBB101-2B Wireless switch 2 button
